

VENETIAN ARCH SIDEBOARD

DESIGN By Qoqet

Dimensions (mm)

383.60W x 21.75D x 79.50H

Dimensions (Inches)

383.60W x 21.75D x 79.50H

Unlike traditional sideboards, a creatively designed sideboard like this breaks free from the mold and features a bold and unconventional design. The bottom is composed of 4 doors which hide a black satin interior with 1 glass shelf each, accompanied by 4 drawers above. Its unconventional design and versatility make it a great addition to any home or apartment, providing both storage and style in equal measure.
